Development of Language in Genie: a Case of Language ... - Genie. This is not the person's real name, but when we think about what a genie is, a genie is a creature that comes out of a bottle or whatever, but emerges into human society past childhood. We assume that it really isn't a creature that had a human childhood, explained Susan Curtiss in a 1997 Nova documentary titled Secrets of the Wild Child. Sun, 02 Dec 2018 00:28:00 GMT Genie The Story of the Wild Child - Coshocton Schools - Much later, for example, Susan Curtiss emphatically argued that, though Genie clearly had serious emotional difficulties, she could not have been intellectually disabled. Wed, 21 Nov 2018 00:34:00 GMT Genie (feral child) - Wikipedia - Whether it made real progress in the study of linguistics is an open question, although I've just read in Wikipedia that Genie's grammar tests were marked artificially low, for dropping final letters in words. Genie: A Psycholinguistic Study of a Modern-Day "Wild ... - An inhuman childhood had prevented Genie from learning language, and she knew little about the world in any respect save abuse, neglect, isolation, and deprivation. This book is organized into three parts encompassing 11 chapters. Part I provides a case history and background
